Greetings!

Thank you for your interest in Cedar Valley United Way's 100 x \$100 campaign! The 100 x \$100 campaign was designed to provide new donors/businesses the opportunity to support Cedar Valley United Way's annual campaign efforts and in return Cedar Valley United Way will recognize your business as a supporter of our community in the process.

Headlines and stories of the Cedar Valley are what we cover as anchor of KWWL and publisher of The Courier. As co-chairs of the 2011 Cedar Valley United Way Campaign, we know the community wants this be a better place to live, work and raise a family. We all have a stake in our community. Cedar Valley United Way, through various agencies, is trying to change the headlines. United Way has clearly made a difference in the lives of individuals, families and children. Living United is key.

We know there are key building blocks required to lead a good quality of life – **education, income and health**. By focusing on these building blocks, United Way aims to make things better for us all. That's what LIVE UNITED is all about. We all win when a child succeeds in school, when families are financially stable and when people have good health.

We need your help in changing the headlines. **We are asking your business to help make this a better community for all by contributing \$100 or more.** It all adds up. Be part of the solution by joining the hundreds of other businesses in the Cedar Valley who participate in the Cedar Valley United Way campaign.

For participating in the 100 x \$100 campaign not only will you be impacting the community you will also get a window cling to proudly display your support of Cedar Valley United Way and our community to your customers.

Our community has some of the best assets. One of our greatest assets is our local businesses. We ask you to join us in changing those headlines to positive actions, improved lifestyles and children and youth that have a chance to make a difference. We ask you to Live United!
