2021 CAMPAIGN CO-CHAIRS

**UNITED
WE CAN**

- » Because of your support, kids are stronger readers and heading toward success in school.
- » Because of your support, local leaders are developing a path to improve the state of mental health and related services in our area.
- » Because of your support, thousands of people are connected to services through 211 and other agencies that help them change the odds.
- » Because of your support, income constrained, working families are receiving quality childcare, while parents focus on work or school.

Community support of United Way continues to help improve lives throughout the Cedar Valley.

Since 1923, Cedar Valley United Way has been working hard alongside our community partners to provide help for those in our community. Help receiving food to feed a family, getting treatment for a mental health episode, escaping an abusive partner or graduating with enough in savings to provide a life after high school. But we cannot provide this help alone.

**United we fight, United we win.
